KLIFE is a community-wide, interdenominational Christian ministry of discipleship and fellowship for youth and their families. Through a variety of activities (klubs, small group Bible studies, mission trips, ski trips, and monthly events), KLIFE kids grow in their faith and have lots of fun in the process. They learn that following Christ and discovering His plan for their life is the most exciting adventure of all and that they can count on friendship and support from leaders and peers who care.

January 2019

I am writing on behalf of K-Life Ministries in Bartlesville, Oklahoma. K-Life is a community-wide, interdenominational Christian ministry of discipleship and fellowship for youth and their families. Through a variety of activities (weekly clubs, small group Bible studies, mission trips, ski trips, and monthly events), K-Life kids grow in their faith and have lots of fun in the process. They learn that following Christ and discovering His plan for their life is the most exciting adventure of all and that they can count on friendship and support from leaders and peers who care.

K-Life works alongside churches and families in the community to teach and encourage kids to be strong in the Lord in spite of all the negative pressures they face as teenagers. K-Life networks kids from different churches, and those without a church affiliation, to build positive, Godly relationships that can withstand the negative peer pressure so prevalent in today's youth culture.

We are holding our annual fundraiser on **Saturday, March 2, 2019** and would like to request a donation for our live auction.

Thank you for your time and consideration,

KLIFE: *Impacting a Youth Culture for Christ*

"We were well pleased to impart to you not only the Gospel of God, but also our own lives, because you had become very dear to us." 1 Thessalonians 2:8
